ATLANTA, May 19, 2017 – [BCD Travel](#), a leader in the corporate travel industry, has been named by *Forbes* as one of [America's Best Employers](#) for the third year in a row.

"We're delighted to be recognized by *Forbes* for our collaborative and supportive workplace environment and outstanding place to build a career," said Christian Dahl, senior vice president, Talent Management and Global Human Resources. "Our commitment to advancing our strong culture helps our employees provide the highest level of customer service."

The "Best Employers" rankings are compiled by *Forbes* in partnership with Statista, which surveyed 30,000 U.S. employees on whether their employers make them feel happy, inspired and well-compensated. The most weighted question asked survey respondents to rate on a 10-point scale how strongly they would recommend their own company to others.

From the results, *Forbes* compiles a list of Top 500 large employers and Top 300 mid-sized employers. BCD Travel, with about 13,000 employees around the world, was [ranked 140](#) on the Top Mid-sized Companies list, up from 231 out of 500 on *Forbes'* [America's Best Employers 2016](#) list and 462 on *Forbes'* [America's Best Employers 2015](#) list.
