Dedicated agents enable quick response to emergencies

Relentless wildfires led to a **60% increase in travel** year over year for U.S. Forest Service scouts, smoke jumpers and firefighters

In a single summer, BCD Travel:
Booked **24,400+ flights** on a 24/7 schedule
Met **80+ agency requirements** per trip
Served **1,000+ firefighters** traveling at the same time

Agents completed **every booking in 30 minutes or less**—ensuring firefighters moved fast to protect lives, natural areas, homes and businesses

What's the secret?

Agents must think creatively about routes, while also completing bookings with speed and accuracy. Their experience enables them to act quickly and remain calm in a crisis.
